

INVITING PARTICIPATION IN WOMEN ENTREPRENEURSHIP

Being an entrepreneur is no cake walk and there are some women who have taken the plunge and attained the pinnacle of success. Also entrepreneurship is not always about money, business or investments. Entrepreneurship is about taking risks and challenges to do something different, something incredible which empowers yourself and others around you. Though the government of Kerala has initiated various schemes to empower women entrepreneurs, unwanted fear, risk, lack of motivation and support from family are some of the reasons which averts women from taking off the entrepreneurial journey.

Kosamattam Finance Limited (KFL) as a part of its Corporate Social Responsibility policy has already initiated to support women entrepreneurs to create decent employment, achieve women's empowerment and gender equality by providing initial funds without any burden of interest as well as repayment of the same. As an extension of the promotion of the same, KFL has again come up with offering more opportunities to women who wish to become themselves as an entrepreneur by inviting applications from their ideas for setting up a home-based business.

Woman who desires to become an entrepreneur can download the application form from the website and fill the same and submit the same within the prescribed date to the corporate office of the company. The application form will be available in the website to be submitted in person during business hours from 27th December 2021 to 03rd January 2022. Funds will be disbursed by the company after the analysis and recommendation of the same by Corporate Social Responsibility Committee of the company to the selected applicants.
