BASIS OF ALLOTMENT

Basis of Allotment for NCDs

The Registrar will aggregate the Applications, based on the applications received through an electronic book from the Stock Exchange and determine the valid Application for the purpose of drawing the basis of allocation.

21. Allocation Ratio

The registrar will aggregate the applications based on the applications received through an electronic book from the stock exchanges and determine the valid applications for the purpose of drawing the basis of allocation. Grouping of the application received will be then done in the following manner:

Grouping of Applications and Allocation Ratio: Applications received from various applicants shall be grouped together on the following basis:

- a. Applications received from Category I applicants: Applications received from Category I, shall be grouped together, (“**Institutional Portion**”);
- b. Applications received from Category II applicants: Applications received from Category II, shall be grouped together, (“**Non-Institutional Portion**”);
- c. Applications received from Category III applicants: Applications received from Category III, shall be grouped together, (“**High Net Worth Individual Portion**”)
- d. Applications received from Category IV applicants: Applications received from Category IV, shall be grouped together, (“**Retail Individual Investor Portion**”)

For removal of doubt, “**Institutional Portion**”, “**Non-Institutional Portion**”, “**High Net Worth Individual Portion**” and “**Retail Individual Portion**” are individually referred to as “**Portion**” and collectively referred to as “**Portions**”

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions, our Company shall have the discretion of determining the number of NCDs to be allotted over and above the Base Issue Size, in case our Company opts to retain any oversubscription in the Issue up to ₹15,000 lakhs i.e. aggregating up to ₹30,000 lakhs. The aggregate value of NCDs decided to be allotted over and above the Base Issue Size, (in case our Company opts to retain any oversubscription in the Issue), and/or the aggregate value of NCDs up to the Base Issue Size shall be collectively termed as the “**Overall Issue Size**”.

22. Basis of Allotment for NCDs

Allotments in the first instance:

- (i) Applicants belonging to the Category I, in the first instance, will be allocated NCDs up to 10% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each application duly acknowledged by the Lead Managers and their respective Affiliates/SCSB (Designated Branch or online acknowledgement));
- (ii) Applicants belonging to the Category II, in the first instance, will be allocated NCDs up to 10% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or online acknowledgement));

- (iii) Applicants belonging to the Category III, in the first instance, will be allocated NCDs up to 30% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or online acknowledgement));

- (iv) Applicants belonging to the Category IV, in the first instance, will be allocated NCDs up to 50% of Overall Issue Size on first come first serve basis (determined on the basis of date of receipt of each application duly acknowledged by the Members of the Syndicate/Trading Members/SCSB (Designated Branch or online acknowledgement))

Allotments, in consultation with the Designated Stock Exchange, shall be made on date priority basis i.e. a first-come first-serve basis, based on the date of upload of each Application in to the Electronic Book with Stock Exchange, in each Portion subject to the Allocation Ratio. However, on the date of oversubscription, the allotments would be made to the applicants on proportionate basis.

- (a) Under Subscription:

Under subscription, if any, in any Portion, priority in allotments will be given in the following order:

- (v) on a first come first serve basis

Within each Portion, priority in Allotments will be given on a first-come-first-serve basis, based on the date of upload of each Application into the electronic system of the Stock Exchange.

For each Portion, all Applications uploaded in to the Electronic Book with the Stock Exchange would be treated at par with each other. Allotment would be on proportionate basis, where Applications uploaded into the Platform of the Stock Exchange on a particular date exceeds NCDs to be allotted for each Portion respectively.

Minimum allotment of 1 (one) NCD and in multiples of 1 (one) NCD thereafter would be made in case of each valid Application.

In case of over subscription on date of opening of the Issue, the Allotment shall be made on a proportionate basis. Applications received for the NCDs after the date of oversubscription will not be considered for allotment.

In view of the same, the Investors are advised to refer to the Stock Exchange website at www.bseindia.com for details in respect of subscription.

- (a) Proportionate Allotments: For each Portion, on the date of oversubscription:
 - (i) Allotments to the applicants shall be made in proportion to their respective application size, rounded off to the nearest integer;
 - (ii) If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Issue size, not all applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each applicant whose allotment size, prior to rounding off, had the highest decimal point would be given preference;
 - (iii) In the event, there are more than one applicant whose entitlement remain equal after the manner of distribution referred to above, our Company will ensure that the basis of allotment is finalised by draw of lots in a fair and equitable manner.
- (b) Applicant applying for more than one Options of NCDs:

If an applicant has applied for more than one Options of NCDs, and in case such applicant is entitled to allocation of only a part of the aggregate number of NCDs applied for due to such applications received on the date of oversubscription, the option-wise allocation of NCDs to such applicants shall be in proportion to the number of NCDs with respect to each option, applied for by such applicant, subject

to rounding off to the nearest integer, as appropriate in consultation with Lead Managers and Designated Stock Exchange.

In cases of odd proportion for allotment made, our Company in consultation with the Lead Managers will allot the residual NCD (s) in the following order:

- (i) first with monthly interest payment in decreasing order of tenor i.e. Options VII, V, III, and II; and

Our Company would allot Option I NCDs to all valid applications, wherein the applicants have not indicated their choice of the relevant options of the NCDs.

1. The Commissioner of Income Tax (Central), Kochi ("**CITK**") filed a writ petition (c) bearing no. 23856/2013 dated August 28, 2013 ("**Writ Petition**"), before the High Court of Kerala against the order dated March 25, 2013 ("**Order**") passed by the Income Tax Settlement Commission, Chennai ("**Commission**") for the assessment years 2004-05 to 2010-11, granting immunity to our Company from penalty and prosecution. Aggrieved by the Order, the Writ Petition was filed by CITK *inter-alia* on the ground that the Commission has no authority to grant immunity to our Company from penalty and prosecution unless our Company makes full and true disclosure of its income, manner in which it was derived and cooperates with the Commission in the proceedings. The CITK further alleged that the income admitted by our Company was less than the income quantified by the Commission and hence full and true disclosure wasn't made and thus the Order passed by the Commission was against law. Further, the CITK has prayed for the issuance of writ of certiorari or any other appropriate order quashing the Order to the extent that it granted immunity to our Company from prosecution and penalty. The matter is currently pending.
2. The Commissioner of Income Tax (Central), Kochi ("**CIT**") passed an order dated November 30, 2016 under Section 263 of the Income Tax Act, 1961 ("**IT Act**") directing the Assistant Commissioner of Income Tax, Central Circle, Kottayam ("**AO**") to verify a deduction amounting to ₹123.07 lakhs claimed by the Company towards discount allowed to debenture holders during the AY 2012-13. In the Order, the AO disallowed the deduction on the grounds that certain debenture holders (out of the list of entire debenture holders) had not confirmed the debenture subscription in a prescribed proforma sent to them, as notices under Section 133(6) of the IT Act and in certain cases, as summons under Section 131 of the IT Act and some debenture holders who were served notices and summons did not respond at all. Further the Order also states that there was an instance of a cash deposit of ₹20.00 lakhs on November 26, 2011, in the Company's bank account with Kilimanor branch which has been accounted by the Company towards subscription of debentures. The Company has filed an appeal dated September 28, 2017 before the Commissioner of Income Tax (Appeals) ("**CIT - A**") challenging the Order on *inter-alia* grounds that the assessment order is violative of principles of natural justice, additions made under Section 68 were beyond jurisdiction of the AO as well as grounds on merits justifying the claim of deduction of expenditure. Further Company has filed an appeal dated November 14, 2017, before the Income Tax Appellate Tribunal, Cochin against the order under Section 263. Separately, the Company approached the High Court of Kerala ("**High Court**") requesting for stay of demand. The demand raised by the AO under section 153A of the IT Act was already covered by the erstwhile Income-tax officer under the regular assessment and had concluded the assessment *vide* his order dated August 31, 2017. Since, there is no fresh addition *vide* the order of AO dated December 29, 2019, the appeal already filed against the order dated August 31, 2017 with the CIT - A on September 28, 2017 shall stand. RISK FACTORS

An investment in NCDs involves a certain degree of risk. You should carefully consider all the information contained in the Prospectus, including the risks and uncertainties described below, and the information provided in the sections titled "Our Business" on page 80 of the Prospectus and "Financial Statements" on page F-1, before making an investment decision. The risk factors set forth below do not purport to be complete or comprehensive in terms of all the risk factors that may arise in connection with our business or any decision to purchase, own or dispose of the NCDs. The following risk factors are determined on the basis of their materiality. In determining the materiality of risk factors, we have considered risks which may not be material individually but may be material when considered collectively, which may have a qualitative impact though not quantitative, which may not be material at present but may have a material impact in the future. Additional risks, which are currently unknown or now deemed immaterial, if materialise, may have a material adverse effect on our business, financial condition and results of operations in the future. The market prices of the NCDs could decline due to such risks and you may lose all or part of your investment including interest thereon.

Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implication of any of the risks described in this section. The Prospectus also contains forward-looking statements that involve risks and uncertainties. Our results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including events described below and elsewhere in the Prospectus. Unless otherwise stated, the financial information used in this section is derived from and should be read in conjunction with the Reformatted Financial Statements.

Internal Risk Factors

1. Recent outbreak of the novel coronavirus could have a significant effect on our results of operations and could negatively impact our business, revenues, financial condition and result of operations.
2. We have been subject to an inspection by the RBI and any adverse action taken could affect our business and operations.
3. We have received a letter dated February 10, 2014 from the RBI ("RBI Letter") inter-alia alleging non-compliance with RBI circular DNBS (T) No. 983/02.03.057/2013-14 dated October 29, 2008 ("RBI Circular"). Further, we have also received a letter dated July 29, 2016 from the RBI, pursuant to an inspection under Section 12(1) of the FEMA, relating to our money changing business ("RBI Inspection Letter"). Any adverse order by RBI could adversely affect our ability to conduct business, which would in turn result in material adverse effect on our business and results of operations.
4. We are subject to inspections by CDSL in our capacity as a depository participant and any adverse action taken by CDSL could affect our business and operations.
5. We are subject to restrictive covenants in certain short-term and long-term debt facilities provided to us by our lenders.
6. Our ability to access capital also depends on our credit ratings. Any downgrade in our credit ratings would increase borrowing costs and constrain our access to capital and lending markets and, thus, would negatively affect our net interest margin and our business.
7. Our Company, two of our Promoter Directors and one of our Group Companies are subject to certain legal proceedings and any adverse decision in such proceedings may have a material adverse effect on our business, financial condition and results of operations.
8. Most of the supporting documents in connection with the biographies of the directors included in the section "Our Management" of the Prospectus are unavailable.
9. Some of our Group Companies are enabled by their respective memorandums of association to undertake activities similar to the activities conducted by our Company which may be potential source of conflict of interest for us and which may have an adverse effect on our operations.
10. Our Company was unable to trace certain secretarial records, including records pertaining to the allotment of Equity Shares acquired by our past shareholders prior to August 2004.
11. A major part of our branch network is concentrated in southern India and we derive majority of our revenue from southern India. Any breakdown of services in these areas could have a material and adverse effect on our results of operations and financial conditions.
12. Our business is capital intensive and any disruption or restrictions in raising financial resources could have a material adverse effect on our liquidity and financial condition.
13. Our financial performance is primarily dependent on interest rate risk. If we are unable to manage interest rate risk in the future it could have an adverse effect on our net interest margin, thereby adversely affecting business and financial condition of our company.
14. We have had negative net cash flows from our operating, investing and financing activities in the recent fiscal years. Any negative cash flows in the future may adversely affect our results of operations and financial condition.
15. We face increasing competition in our business which may result in declining interest margins. If we are unable to compete successfully, our market share may also decline.
16. Volatility in the market price of gold may adversely affect our financial condition, cash flows and results of operations.
17. We may not be able to realise the full value of our pledged gold, which exposes us to potential loss.
18. We may not be able to successfully sustain our growth strategy. Inability to effectively manage our growth and related issues could materially and adversely affect our business and impact our future financial performance.
19. If we are not able to control the level of non-performing assets in our portfolio, the overall quality of our loan portfolio may deteriorate and our results of operations may be adversely affected.
20. Our ability to lend against the collateral of gold jewellery has been restricted on account of guidelines issued by RBI, which may have a negative impact on our business and results of operation.
21. We are subject to certain restrictive covenants in our loan documents, which may restrict our operations and ability to grow and may adversely affect our business.
22. We are subjected to supervision and regulation by the RBI as a systemically important NBFC, and changes in RBI's regulations governing us could adversely affect our business.
23. We may be subject to regulations in respect of provisioning for non-performing assets. If such provisions are not sufficient to provide adequate cover for loan losses that may occur, this could have an adverse effect on our financial condition, liquidity and results of operations.
24. Microfinance loans are unsecured and are susceptible to certain operational and credit risks which may result in increased levels of NPAs.
25. Our microfinance business involves transactions with relatively high-risk borrowers that typically do not have access to formal banking channels, and high levels of customer defaults could adversely affect our business, results of operations and financial condition.
26. Our ability to borrow from various banks may be restricted on account of guidelines issued by the RBI, imposing restrictions on banks in relation to their exposure to NBFCs. Any limitation on our ability to borrow from such banks may increase our cost of borrowing, which could adversely impact our growth, business and financial condition.
27. Our Gold Loans are due within 12 months of disbursement, and a failure to disburse new loans may result in a reduction of our loan portfolio and a corresponding decrease in our interest income.
28. Inaccurate appraisal of gold by our personnel may adversely affect our gold loan business and financial condition.
29. Exchange rate fluctuations may adversely affect our results of operations.
30. Our branches are vulnerable to theft and burglary. While we are insured against the risk of burglary arising from our business, such insurance may not be sufficient to fully cover the losses we suffer and this may result in adverse effect on our

financial condition and results of operations.

31. *The insurance coverage taken by us may not be adequate to protect against certain business risks. This may adversely affect our financial condition and result of operations.*
32. *Our entire customer base comprises individual borrowers, who generally are more likely to be affected by declining economic conditions than larger corporate borrowers.*
33. *We strive to attract, retain and motivate key employees, and our failure to do so could adversely affect our business. Failure to hire key executives or employees could have a significant impact on our operations.*
34. *We are subject to the risk of fraud by our employees and customers. Our lending operations involve significant amounts of cash collection which may be susceptible to loss or misappropriation or fraud by our employees. Specifically, employees operating in remote areas may be susceptible to criminal elements which may adversely affect our business, operations and ability to recruit and retain employees*
35. *We are subject to the risk of unknowingly receiving stolen goods as collateral from customers which may result in loss of collateral for the loan disbursed*
36. *System failures or inadequacy and security breaches in computer systems may adversely affect our operations and result in financial loss, disruption of our businesses, regulatory intervention or damage to our reputation.*
37. *We have entered into, and will continue to enter into, related party transactions.*
38. *Our internal procedures, on which we rely for obtaining information on our customers and loan collateral, may be deficient and result in business losses.*
39. *Our inability to open new branches at correct locations may adversely affect our business.*
40. *Our inability to obtain, renew or maintain our statutory and regulatory permits and approvals required to operate our business may have a material adverse effect on our business, financial condition and results of operations.*
41. *All our branch premises, except four branches are acquired on lease. Any termination of arrangements for lease of our branches or our failure to renew the same in a favourable, timely manner, could adversely affect our business and results of operations.*
42. *We have ventured into new business areas and the sustainability, effective management and failure of growth strategy could adversely affect our business and result of operations.*
43. *Our contingent liabilities have not been provided for in our financial statements which, if materialize, may impact our financial condition.*
44. *We rely significantly on our management team, our Key Managerial Personnel and our ability to attract and retain talent. Loss of any member from our management team or that of our Key Managerial Personnel may adversely affect our business and results of operation.*

RISKS PERTAINING TO THIS ISSUE

45. *Changes in interest rates may affect the price of our NCDs which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our NCDs.*
46. *The fund requirement and deployment mentioned in the Objects of the Issue have not been appraised by any bank or financial institution.*
47. *The liquidity for the NCDs in the secondary market is very low and it may remain so in the future and the price of the Bonds may be volatile.*
48. *You may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the NCDs. Failure or delay to recover the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose the holders to a potential loss.*
49. *There can be no assurance that the NCDs issued pursuant to this Issue will be listed on the Stock Exchange in a timely manner, or at all.*
50. *There may be no active market for the NCDs on the retail debt market/capital market segment of the BSE. As a result, the liquidity and market prices of the NCDs may fail to develop and may accordingly be adversely affected.*

51. *Our Company may raise further borrowings and charge its assets after receipt of necessary consents from its existing lenders. In such a scenario, the Debenture Holders holding the NCDs will rank pari passu with other secured creditors and to that extent, may reduce the amounts recoverable by the Debenture Holders upon our Company's bankruptcy, winding up or liquidation*
52. *In the event of liquidation or bankruptcy, the new bankruptcy code in India may affect our Company's right to recover loans from its borrowers.*
53. *We cannot guarantee the accuracy or completeness of facts and other statistics with respect to India, the Indian economy and the NBFC and Gold Loan industries contained in the Prospectus.*
